Why Don't You Own a

Why not place one of the greatest musical instruments of the age-of all the ages-in your home?

We make it a point to help you buy one. We sell you a PIANOLA or PIANOLA PIANO on easy terms, and let you pay a little amount each month until you pay for it.

In the meantime you have the Pianola. It gives you the power to play any piece you wish. Your children can play the masterpieces of the age with all the fire and spirit of the great masters.

The PIANOLA-the METROSTYLE PIANOLA-is the standard the world over. All other piano-players strive to imitate and equal it. But it stands alone in excellence.

PIANOLAS, \$250 up; PIANOLA PIANOS, \$550 up. Among the Moses line are these Pianos:

Steinway, Hardman, Kimball,
